**Applications in Human Resource Management: Cases, Exercises, and Skill Builders** Stella M. Nkomo, Myron D. Fottler, R. Bruce McAfee

Applications in Human Resource Management is a single source of cases, exercises, incidents, and skill builders to supplement introductory human resource management courses. These materials offer a fresh approach based on dynamic, real-life organizational events confronting both human resource managers and line managers. The cases are based on "real" events that have taken place in organizations and the exercises and skill builders are intended to give learners the hands-on skills they will need in facing the challenges of today's workplace.
