Sarum is under siege and a recovering Alaysha finds herself at the heart of a covert war where even the enemy is unknown. Whether it's the father she has spent nineteen years killing for, the witch of flame who promises to teach her control, or the charismatic Yenic who claims to love her, she must ultimately decide who to trust. If only that trust didn't come at such a high price.

Blood Witch is book two in the Witches of Etlantium series, a new adult fantasy series for women of all ages, but recommended for those over seventeen. There's a good bit of intrigue, a smidgen of magic, and of course, some steamy romance.

a different kind of witchcraft fiction where womens adventure celebrates a strong female lead, paranormal romance, and warrior women and adds a touch of sorceress romance.

If you're a new adult paranormal romance reader or a lover of women's fiction where kickass heroines inhabit worlds of sword and sorcery fantasy romance, and if you dig fiction where female warriors become female heroes in a series that blends teen paranormal romance with just the right amount of romantic adventure, this series might offer you a delightful few hours' enjoyment.
