Death Be Pardoner To Me: The Life of George, Duke of Clarence Dorothy Davies

The Wars of the Roses were terrible years when armies swept back and forth across England and kings were the pawns of arrogant nobles. In these savage times, three royal brothers defeated all those who would rob them of the throne but then, from within, they faced a new enemy.

One brother, driven by envy and pride, staked everything on a desperate gamble and allied himself with the imperious Earl of Warwick.

With Warwick's army at his back., a king's brother planned to remove the king.

Could he carry it off and realise his dreams of wearing the crown himself, or had destiny made brutal and more tragic plans for George, Duke of Clarence?
