NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide.

Used books, rentals, and purchases made outside of Pearson

If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For all introductory genetics courses

*This package includes **MasteringGenetics**™.*

A forward-looking exploration of essential genetics topics

Known for its focus on conceptual understanding, problem solving, and practical applications, this bestseller strengthens problem-solving skills and explores the essential genetics topics that today's students need to understand. The **Ninth Edition** maintains the text's brief, less-detailed coverage of core concepts and has been extensively updated with relevant, cutting-edge coverage of emerging topics in genetics. The accompanying MasteringGenetics online homework and assessment system has been updated with over 100 practice problems and an expanded selection of assignable end-of-chapter problems.

Improve Results with MasteringGenetics

MasteringGenetics is an online homework and assessment program that guides students through complex topics in genetics and strengthens problem-solving skills using in-depth tutorials that coach students to the correct answers with hints and feedback specific to their misconceptions and errors. MasteringGenetics offers additional opportunities for students to master key concepts and practice problem solving, using interactive tutorials with hints and feedback. Instructors may also assign pre-lecture quizzes, end-of-chapter problems, practice problems, and test bank questions that are automatically scored and entered into the Mastering gradebook.
