Grace Upon Grace: Spirituality for Today John W. Kleinig

The longing for spiritual fulfillment, inevitably paired with spiritual frustration, is common among Christians. Do we read and study the Bible enough? Do we worship often and in the right way? Do we pray enough, in the correct way, and for the right things? How do we become truly spiritual? And the answers from numerous self-help spirituality books only lead to confusion and the fear of missing key steps on the road to becoming spiritual. In response, John W. Kleinig clarifies that there is no process for becoming spiritual. Instead, God graciously gives to us every spiritual gift that we need, beginning with the very gift of faith in Christ, our Savior. Because God has joined us to Christ, He continually comes to give us life.
