Abandoned as a baby to a young wealthy couple and raised in a world of privilege, Ariel has no hint of her past or who she belonged to. Her only link lies in the one thing that sets her apart from everyone else- telekinetic powers. Protected by her adoptive parents and hidden from the public to keep her gift secret, Ari is raised in the lap of luxury, and isolation. That is, until someone begins threatening her life. Beau Devereaux is no stranger to the strange. As the head of Devereaux Security, he's more than familiar with the realities of physic powers. So when a family friend approaches him about protecting his daughter, he's more than ready to jump on board. What Beau isn't prepared for is the extent of his attraction to his beautiful and powerful client. What began as a simple assignment, just another job, quickly turns personal as Beau discovers he'll do anything at all to protect Ari. Even if it costs him his life.
