Letter to an Atheist

Michael Patrick Leahy

Letter to an Atheist Michael Patrick Leahy

In this hard hitting and intellectually powerful response to Sam Harris' Letter to a Christian Nation, Michael Patrick Leahy exposes the intellectual dishonesty behind Mr. Harris' brand of Christian bashing atheistic evangelism. Leahy points out in devastating detail the numerous factual misrepresentations in Mr. Harris' book (for instance, debunking Mr. Harris' outrageous claim that 50% of all Americans believe the universe is only 6,000 years old--the facts show the number is 18% at most), and dismantles the simplistic "solutions" proposed by Mr. Harris. Stop violence by ending all faith ? Easier to try to stop the ocean tides. Limit the rights of Christians to participate in the political process ? In the name of "justice" then, Harris would oppress Christians, creating a world wide second class of citizens. Follow the model of fascists in Europe in dealing with the threat of Islamic fundamentalism ? Even fellow atheist Christopher Hitchens calls such a solution repugnant. Seekers of the truth from all faiths should run, not walk, to their keyboard or local book store and purchase Michael Patrick Leahy's Letter to an Atheist. Reviews "Finally, a strong Christian voice addresses the intellectual dishonesty of atheistic evangelism" Christine Schaub, best selling author of The Longing Season, the story of John Newton and Amazing Grace "Michael Patrick Leahy skillfully debunks Harris' charge that serious Christians and Islamic radicals should be equally feared; He also exposes the bigotry and distortion typically shown by secularists when addressing Intelligent Design. More importantly, Leahy shows that Harris' proposed utopia, in which religion is caged and tamed by the secularists, has already been shown to produce a world that most do not care to inhabit." Ralph Seelke, Ph.D. Professor, Biology University of Wisconsin-Superior "Michael Patrick Leahy's book is a substantive critique of the work of Sam Harris in Letter to a Christian Nation. Leahy shows how wrong minded and frankly lopsided Harris' view of reality ends up being. Good intellectual stuff." Dr. Bob Harrington Lead Pastor of Harpeth Community Church, Franklin, Tennessee "A must-read for Christians and non-Christians who truly seek the truth about the toughest long-standing issues confronting humanity. Mr. Leahy has used a logical, step-by-step, reasoned, and well-referenced approach to engage and refute an attack on Christian positions and principles. The material is well worth reading and debating. I was especially impressed by the defense of Christians' track record in opposing slavery. With the recent public attention to the life and contribution of William Wilberforce, this chapter could not be more timely." Reginald Finger, MD, MPH Independent medical researcher About the Author Michael Patrick Leahy is a magna cum laude graduate of Harvard, and has an MBA from Stanford. His professional career has been in technology marketing. For more information about the author, go to his website at <http://www.michaelpatrickleahy.com> .
