Smart, sexy Victoria Small has come to the end of her year off--from men, that is. She's enjoyed her hiatus, the peace, quiet--and no unexpected interruptions. But now she's ready to have someone to come home to. And her timing is perfect, as not one, but two, handsome possibilities enter her life. . .

Ted, a powerful, blue-eyed CEO sends a thrill of excitement through her that shocks Victoria out of her comfort zone. Meanwhile, Parker, a talented surgeon, melts her defenses with his warmth and ebony good looks. The men are as different as can be--inside and out--but they have one thing in common: they both want Victoria. And as she struggles to decide what--and who--she really wants, Victoria will have to face her deepest fears, secrets, and desires--and decide if she's brave enough for true love, no matter what color it comes in. Her answer just may surprise everyone, including herself. . .
