Where Do We Go From Here Jae Henderson, Mario D. King

The attraction between Marcus and Natalie was evident from the moment they locked eyes. He was a handsome successful business man who prided himself on being able to close any deal ? except the one that could get the woman he wanted to marry to stay. In search of a distraction from his broken heart, Natalie, the demur secretary with the “bengin body,” and no sliver of a man in sight, seemed like the perfect choice. Sparks fly and earth-shattering sex erupts. But what was supposed to be a simple sex only arrangement gets very complicated when Natalie makes a discovery that sends them on an emotional journey that will leave them connected to one another for many years to come.

This entertaining thought-provoking novella expertly illustrates what can happen when you allow lust to determine your direction. There could be life-altering consequences and repercussions and you just may find yourself asking the question, “Where do we go from here?”
