BEFORE You Marry: KNOW EVERYTHING!: 100's of Questions To Ask Your Mate-Preparing Couples for a Strong Christian Marriage Laurie Snyman

The divorce rate is exploding! Researchers say marriage relationships are breaking apart by the second anniversary. Couples are failing to get to know each other well enough before getting engaged. Funny, isn't it, that physicians study eight or more years, plumbers at least 5 years and ministers 4-7 years, but couples can meet and marry within a few hours, expecting love and happiness for a love time. Planning a ceremony is thrilling. But preparing for a lifetime is well worth your time. Couples should not even THINK of marrying without going through a workbook like this, where they learn the ideas and opinions of their fiancé/fiancee before they marry, which could damage their relationship after they marry. Spend time resolving issues so your marriage can get off to the best start ever. Be willing to spend the time it takes to work out your differing opinions, learn to compromise, discuss your concerns raised with this workbook, with a friend or trusted professional. Build a strong foundation for your upcoming marriage. Let this workbook help you move forward in your life, positively impacting your future.
