Warrior Wolf Women of the Wastelands Carlton Mellick III

Novel of the Year 2009, Wonderland Book Award Winner

Road Warrior Werewolves versus McDonaldland Mutants...post-apocalyptic fiction has never been quite like this.

They call themselves the Warriors, their enemies call them the Bitches. They are a gang of man-eating, motorcycle-riding, war-hungry werewolf women, and they are the rulers of the wasteland.

A century after the fall of civilization, only one city remains standing. It is a self-contained utopian society protected by a three-hundred-foot-high steel wall. The citizens of this city live safe, peaceful lives, completely ignorant to the savagery that takes place beyond the walls. They are content and happy, blindly following the rules of the fascist fast food corporation that acts as their government. But when Daniel Togg, a four-armed bootlegger from the dark side of town, is cast out of the walled city, he soon learns why the state of the outside world has been kept secret. The wasteland is a chaotic battleground filled with giant wolves, mutant men, and an army of furry biker women who are slowly transforming into animals. Trapped on the wrong side of a war zone, Daniel Togg makes new friends and new enemies, while uncovering the mysteries of the people living in the wasteland and how they came to be there.

Including 45 illustrations by the author, *Warrior Wolf Women of the Wasteland* is an epic bizarro tale of dehumanization, gender separation, consumption, and violent sexual awakenings. A fast-paced post-apocalyptic adventure in the vein of *The Road Warrior*, featuring a very unique werewolf mythology.
