Everyone likes The Smiths, don't they? The year is 1995 and this is the type of question Ben prefers to busy himself with while trying his best to ignore real life. Armed with an ever growing music collection and a stereo, he sets himself the impossible task of making the best mixtape the world has ever seen for the girl of his dreams. Four years later, older but no wiser, Ben is struggling to come to terms with the death of a friend. The problems are bigger and the music is louder, but all Ben wants is to make a mixtape for the gig next week. C90 is a tale of two sides, a story of love, loss and of course music.
