Roots that go deep. . .men who stand tall. . .and real women who have what it takes to love and be loved by them. Jodi Thomas, *New York Times* and *USA Today* bestselling author, teams up with Linda Broday, Phyliss Miranda, and DeWanna Pace to bring you four of the best Texas romances ever. . .

Give Me A Texan

Hank Harris wasn't even looking for a woman when he ended up with a wife. Their hasty marriage is for appearances only: a capable, intelligent woman like Aggie is exactly who he needs as a business partner--if only she weren't so damn beautiful, spirited--and in his bed. . . Payton McCord thought he was one tough cowboy until Amanda Lemmons made him mind his manners. And a woman of her caliber is worth the trouble she causes. . . Newspaperman Quinten Corbett wasn't expecting his new apprentice to be female. Boston-born Kaira Renaulde is far too refined for a rough-and-tumble frontier town--and far too pretty for his peace of mind. . . Briar Duncan knows he needs someone to help him raise his headstrong little daughter. But Mina McCoy is more than he bargained for--much more! The woman has the face of an angel and a very definite mind of her own. . .

"The genuine characters, realistic emotions and true aura of the West propel Jodi Thomas's books out of the ordinary and straight into readers' hearts."--*Romantic Times*
