## **Hear The Silence** Jamie Glaser

Hear The Silence is about healing , strength, courage , love of oneself and others. In 1994 studio musician, performer, music composer and producer Jamie Glaser was in the Northridge Earthquake in California, when the shaking stopped nothing was the same. From 1978 to 1994 he toured the world with Grammy award winning musical acts, lived the good life in Los Angeles, and suddenly found himself unable to get out of bed for 6 months. Jamie lost all his worldly possessions in the days following the earthquake, his self esteem, his quality work and eventually found himself homeless and without hope. Hear The Silence tells the story of life lessons and experiences that brought him back from the "dead", to the wonderful life he has today, and inspires others to celebrate with him. Jamie is presently the guitarist for Jon Anderson and Jean Luc Ponty. "The Anderson Ponty Band"
