The Last Werewolf Glen Duncan

Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller--with a profoundly human heart.

Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh, with a voracious libido and a hunger for meat that drives him crazy each full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a legend that has lived for thousands of years. But there are two dangerous groups--one new, one ancient--with reasons of their own for wanting Jake very much alive.

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So, this The Last Werewolf can make you feel more interested to read.
