Management Theories for Educational Change

Keith Morrison

Management Theories for Educational Change Keith Morrison

^This is an exceptional book. It tempted me to throw out most of my collected works on the management of change, because the author has somehow succeeded by including almost every aspect of educational change that any practitioner would wish to consider....Overall this is a very stimulating book. It is packed with information and the ideas and concepts contained could pack a school development plan for many years' -

School Leadership and Management

The theories and practices from the literature on business, manufacturing and commerce which inform principles for managing change in education are identified in this book. The author shows how the complexity of change can be addressed effectively.
