Ellen McNulty:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally.
