The Wardrobe Wakeup is packed with solutions to fashion dilemmas specific to women 40+, like: changes in skin that make baring legs, arms, and chest an uncomfortable experience; working with colleagues half your age or a boss twenty years younger; going on job interviews where the competition is thirty years old. Lois also addresses fashion problems surrounding lifestyle changes including the horrors of dating again, what's sexy vs. sleazy, and rethinking spending on clothes if living on investments or 401(k)s.

Featured in photos throughout are glam women 40+ in the fashion and beauty business. Each woman provides inspiration through interviews about their own style and fashion solutions at this time of life. In Lois's engaging point of view and straightforward approach, she teaches women to maximize their wardrobe and feel fabulous at any age.
