## **Winning Soccer for Girls (Winning Sports for Girls) Deborah Crisfield, Mark Gola**

Soccer is the number-one spectator sport in the world, and its popularity in the United States has been steadily growing for many years. Spurred on by the launch of the first women's professional soccer league, more and more young women are testing their skills on the soccer field. This volume offers a wealth of information about understanding and improving one's game. Each chapter covers a different element of play, details the required skills and offers drills for development. A glossary allows readers to better understand the terms related to the sport.
