*Ron Hansen*

## **A Stay Against Confusion: Essays on Faith and Fiction Ron Hansen**

In this vivid and deeply felt collection of essays, Ron Hansen talks about his novels, childhood, family, and mentors such as John Gardner. He explores prayer, stigmata, twentieth-century martyrs, and the Eucharist. A profile of his grandfather, a "tough-as-nails, brook-no-guff Colorado rancher," finds a place alongside a wonderfully informative portrait of Saint Ignatius of Loyola. A brilliant reading of a story by Leo Tolstoy follows an appreciation of the poetry of Gerard Manley Hopkins.

Surprisingly intimate, *A Stay Against Confusion* brings together the literary and religious impulses that inform the life of one of our most gifted fiction writers.
