Aphrodite IX returns for Free Comic Book Day! This first free issue launches a new ongoing series of Top Cow's fan favorite, memory challenged, green haired, questionably human heroine. Hundreds of years after a cataclysmic event scorched the surface, Earth and its inhabitants have been forever altered and a new landscape and political struggle has taken hold with three distinct factions fighting for control. Aphrodite IX is both anachronism and advanced technology in a world that she no longer recognizes. No aliens, just humans and their genetically and technologically altered descendants in a mixture of the best Sci-Fi and Fantasy has to offer!
