Clash Of Empires Sam Barone

Clash of Empires is the sixth novel in Sam Barone's bronze age historical saga in the tradition of Conn Iggulden, Bernard Cornwell, and Jean Auel. In Dawn of Empire, Eskkar the warrior and Trella the slave girl come together in a mighty struggle to survive a barbarian invasion and build mankind's first walled city. Seventeen years have passed, and under Trella's guidance, Akkad has become the most prosperous and powerful city in the Land Between the Rivers. Now Eskkar and Trella face the ultimate challenge to their growing empire – the vast Elamite Empire to the east of the mountains has decided to invade the Land Between the Rivers, determined to subdue the fertile and prosperous land with overwhelming force. The Elamites must expand to survive, and they need the wealth that conquest will provide. A mighty and well trained army, skilled in battle and siege craft, will soon be at Akkad's gates. To survive, Eskkar must first overcome the distrust between the fractious city-states in the Land Between the Rivers. But even united under Akkad's leadership, the numerically inferior army that Eskkar and his allies can will offer little hope for victory. He and Trella must find a way to deceive the King of the Elamites, and bring him to battle at a time and place that favors Akkad. Once again, new ways of fighting must be developed. The world first Engineer must devise ways to halt the invaders, and Akkad's master miners will use their skills to give Akkad's soldiers a fighting chance. The sea, too, will play a part in Akkad's defense. Fighting boats must carry the war to Elam's distant shores. Sargon, Eskkar's son and heir, will also play a major role in Akkad's defense. Only he can unite the Alur Meriki and Ur Nammu warrior clans, and bring their ferocious fighting skills into play against the Elamites. The heir to the Kingdom of Akkad will once again risk his life fighting to save the city. Bracca, Eskkar's cunning companion from the old days, will also be called on to save Eskkar's life once again, even as Bracca's own fate hangs in the balance. Eskkar will need all his battle skills, Trella's planning and logistical support, and more than a little luck if they hope to save their young and growing empire

From reader reviews:

Beatrice Pearson:

Here thing why this specific Clash Of Empires are different and dependable to be yours. First of all looking at a book is good but it depends in the content of it which is the content is as yummy as food or not. Clash Of Empires giving you information deeper and different ways, you can find any publication out there but there is no guide that similar with Clash Of Empires. It gives you thrill studying journey, its open up your current eyes about the thing this happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park, café, or even in your approach home by train. In case you are having difficulties in bringing the paper book maybe the form of Clash Of Empires in e-book can be your option.

Antoine Dejean:

Information is provisions for individuals to get better life, information these days can get by anyone from everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is from the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Clash Of Empires as the daily resource information.

Bruce Hardin:

The reason why? Because this Clash Of Empires is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content interior easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of gains than the other book have such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the guide store hurriedly.

Vincent Espinoza:

In this age globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher which print many kinds of book. Often the book that recommended to your account is Clash Of Empires this publication consist a lot of the information on the condition of this world now. This kind of book was represented just how can the world has grown up. The dialect styles that writer require to explain it is easy to understand. The writer made some exploration when he makes this book. That is why this book suited all of you.
