The Nik of Time (Assassin/Shifters) Sandrine Gasq-Dion

Colin Greystone has loved one man since he understood what love was: Nikolai Markov. But Nikolai is too young and Colin makes himself stay away. By the time he decides to declare his feelings, Nikolai has earned quite the reputation as a playboy and a badass. Colin spends years trying to forget the younger man, only to have his world flipped upside down when Nikolai Markov barrels back into his life. Colin is in danger and his fathers have asked Nik to protect him. Colin is less than thrilled to be forced into spending so much time --in such close contact -- with the man he swore he'd stopped loving. At 20 years old, Nikolai Markov is well known as a hired gun with a hot body. But now he only wants one thing : For Colin Greystone to give him a chance. Thrust into Colin's college life -- and dorm room -- Nikolai unloads his charms on a resistant and unbending Colin. When the two of them are in harm's way, Nikolai will kill anyone who threatens his man. His other mission? Making Colin fall for him. Can a love that began at birth survive to adulthood? Or has Nikolai's chance passed him by?
