What do you know about that Thuggish Love? It's that raw and dirty love that only speaks through your actions. You know the kind of love that will have you ready to catch a case one minute, then in the next minute, the two of you are dripping with sweat because you can't get enough of how you make each other feel? That's the kind of love Bone and Isis have. They've been riding strong for too long and they ain't giving it up.

Isis loves her daddy, and before Bone, it had always been just him and her. She would do almost anything for him, including die. The one thing she can't do is obey his orders when he tells her that thuggish love ain't real and she needs to move on. Didn't he see how he held her down and was still there when she walked out of jail? She feels she and Bone are inseparable and their love bond is unbreakable . . .

Bone rocks with Isis through and through, regardless of what his cousin thinks of her, but the secret he's hiding may jeopardize what they have. His heart is telling him to come clean, keep it one hundred, because she loves him and is aware that things happen. Will he keep it real or let what they have continue to run its course, until . . .

Will that Thuggish Love conquer all? Ask Misha and Tim; they have a story of their own.
