## **How To Master The English Bible** James Gray

How to master the English Bible! High-sounding title that, but does it mean what it says? It is not how to study it, but how to master it; for there is a sense in which the Bible must be mastered before it can be studied, and it is the failure to see this which accounts for other failures on the part of many earnest would-be Bible students. I suppose it is something like a farm; for although never a farmer myself, I have always imagined a farmer should know his farm before he attempted to work it. How much upland and how much lowland? How much wood and how much pasture? Where should the orchard be laid out? Where plant my corn, oats, and potatoes? What plot is to be seeded down to grass?
