- > Reading picture books develops a young child's appreciation for the arts through exposure to many different styles of art and illustrations.
- > On the most basic level, someone reading a picture book to a child encourages him or her to observe the objects, people, and scenes depicted in a picture book.
- > Working with young students who do not yet read, an adult may use a simple exercise called a picture walk before reading aloud to encourage students to anticipate what might happen in the story through the illustrations.
- > Reading Picture books with young children is a joy as well as a lovely way to introduce new ideas and concepts to the youngest toddler.
