Some Bunny Loves You! Penelope Dyan

Everybody loves some bunny and some bunny loves you. Can you guess who the some bunny of this story is? Written by the award winning author, attorney and former teacher, Penelope Dyan, and illustrated with her very kid-friendly drawings, this book is sure to make a kid smile. But most importantly, this book is built around the first grade Dolch Reading Word List, and the rhyme and drawings, along with the 'cartooned character' recognition allows the child to guess and shout out what is coming next, and all of this contributes to the love and joy of the reading experience. This book also has a video that goes along with it, and you can find it on the Bellissimavideo Channel on YouTube. Dyan believes all things should work together when it comes to the teaching process, but most of all she believes that learning should also be fun! Anyone can learn a thing, but without the love of learning, there is no joy in it; and it is the joy of the learning process that fosters creativity. And without creativity, we become merely stagnant.
