The Art Of War

Niccolo Machiavelli, Ellis Farnsworth

The Art Of War Niccolo Machiavelli, Ellis Farnsworth

Voltaire said, "Machiavelli taught Europe the art of war; it had long been practiced, without being known." For Niccolò Machiavelli (1469-1527), war was war, and victory the supreme aim to which all other considerations must be subordinated. *The Art of War* is far from an anachronism—its pages outline fundamental questions that theorists of war continue to examine today, making it essential reading for any student of military history, strategy, or theory. Machiavelli believed *The Art of War* to be his most important work.
