## A History of the War of 1812-15: Between the United States and Great Britain (Classic Reprint)

Rossiter Johnson

Excerpt from A History of the War of 1812-15: Between the United States and Great Britain

The offender, says an Italian proverb, never forgives; and it is a singular fact that the deepest resentments and the most implacable hatreds are not those arising from a sense of injuries received, but from injuries inflicted. The victim of a deliberate wrong seldom treasures up a purpose of revenge, or demands anything more than a restoration of his rights; but the oppressor always hates those who have escaped from his oppression.

That wise old philosopher, Ben Franklin, who died within seven years after the acknowledgment of our country as a separate nation in 1783, foresaw, even then, what did not take place till more than twenty years after his death. He declared that the war which had just closed in the surrender of Cornwallis was only the war of Revolution, and that the war of Independence was yet to be fought.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
