Dominion and Dynasty: A Biblical Theology of the Hebrew Bible (New Studies in Biblical Theology)

Stephen G. Dempster

Christian theologians rarely study the Old Testament in its final Hebrew canonical form, even though this was very likely the Bible used by Jesus and the early church. However, once read as a whole, the larger structure of the Hebrew Bible (*Tanakh*) provides a "wide-angle lens" through which its contents can be viewed. In this stimulating New Studies in Biblical Theology volume, Stephen G. Dempster argues that, despite its undoubted literary diversity, the Hebrew Bible possesses a remarkable structural and conceptual unity. The various genres and books are placed within a comprehensive narrative framework which provides an overarching literary and historical context. The many texts contribute to this larger text, and find their meaning and significance within its story of "dominion and dynasty," which ranges from Adam to the Son of Man, from David to the coming Davidic king. Addressing key issues in biblical theology, the works comprising New Studies in Biblical Theology are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and also

can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want.
