Men of Baseball Novella --

Victoria fell in love with Carlos when she was just a young teenager. Two kids, one successful pro-baseball career, and almost two decades later, she's sure she doesn't want to live her life with anyone else. But when news of another baby on the way collides with her already hectic life, the veil of complacency is removed and panic takes its place.

Carlos marched Victoria down to the church as soon as she was eighteen years old, resolute that she was the love of his life. Fourteen years later, he doesn't regret his decision for even a second. Their life is beautiful, if not a bit crazy, and he loves his little family. But when his Vic starts acting strange, the secrets she keeps causes him to worry that he just might lose the woman who holds his heart.

When truths are revealed on a romantic weekend away with friends, all hell breaks loose. As things begin to unravel, Carlos has to decide what he's willing to sacrifice to regain his Sweet Spot.
