“Mama's don't let your babies grow up to be cowboys....”

When country girl, Clare, moves from Texas to Oregon, she is overjoyed when she lands her dream job at the Moonshine Ranch. Unfortunately, her bosses – two rugged cowboys named Cody and Tyler - are a constant distraction with their bulging muscles and tight asses!

When Clare stumbles upon something she wasn't supposed to see one morning, her dream job turns into something entirely unexpected! Can Clare keep it together long enough to prove she's the right woman for the job or will Cody and Tyler test her limits in the most forbidden way?

WARNING: This 6500 word story contains sizzlin' hot, graphic scenes of two stunningly handsome, masculine, bisexual cowboys giving a curvy, seductive cowgirl the ride of her life! Intended for adults only, 18 and older!

EXCERPT:

“Well, darlin', I'd reckon you've probably never met a pair of cowboys exactly like us.”

By the time they were done, I was amazed at the two living, breathing sex machines that were standing in front of me completely naked.

I couldn't help but gasp as my gaze trailed down below their narrow waists and landed on two of the biggest cocks I had ever laid eyes on. Reality hit me when I pictured what I was in for with such massive cocks, but as much as my mind told me to flee, my heart racing under my heaving breasts told me to stay and face the music. Once again, I told myself to just breathe and submit, and with that I melted into their arms.....
