Being in Love: How to Love with Awareness and Relate Without Fear Osho

What Is Love?

In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy.

With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we've learned from those around us, and to rediscover the meaning of love for ourselves. "By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false."

By answering the questions that so many lovers face, Osho shares new ways to love that will forever change how you relate to others, including how to:

- Love without clinging
- Let go of expectations, rules, and demands
- Free yourself from the fear of being alone
- Be fully present in your relationships
- Keep your love fresh and alive
- Become a life partner with whom someone could continue to grow and change
- Surrender your ego so you can surrender to love

Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.
