Estate Planning for the Healthy, Wealthy Family: How to Promote Family Harmony, Affirm Your Values, and Protect Your Assets Carla Garrity, Mitchell Baris, Stanley Neeleman

Filled with real-life case examples, Estate Planning for the Healthy, Wealthy Family combines a positive attitude, deep psychological insight, and “hard” financial know-how for passing on money between family members while keeping relationships and values intact. With competence and empathy, the authors discuss such important moral issues as the role money plays in a happy family; how parents model their children’s values; and ways to build happy families where there is unequal wealth.
