Crown and Coke mixed with tequila shots and the excitement of Vegas had caused Sara to do something rather stupid; that something had gotten her pregnant.

The father was a newly retired trained killer of the Naval Special Forces known as SEALs. Sara's bigger problem, however, was that the guy wasn't just a bad-boy that made her ache all over, but he was an arrogant, grade A asshole as well.

That wasn't going to stop Sara from making sure that he took responsibility for the child growing inside of her.

What she was quite prepared for was the Southern Arizona desert and the ranch in the middle of nowhere; a place where Dan Sexton just wanted to be left alone.

Sara rose to the challenge anyway and discovered that there was much more to the Arizona SEAL than she could have ever imagined.
