**Polished Leadership: Enhance Your Natural Charisma To Boost Your Career Success** Brenda Ratcliff  
Polished Leadership shows you why charisma is important to today's leaders and how you can boost your natural charisma to create a powerful leadership effect. People used to believe that charisma is something you are either born with or you are not. And yes, some people do have seem to have bucket-loads of it. This book proposes that charisma can be learned and contains the secrets and key skills that people with charisma do and say which leads others to be inspired in their presence. The key skills are: how to connect with others regardless of status, the ability to really listen and remember names easily, how to put forward your own views more confidently, learn about your personal brand, and finally how to stay safe and effective while being more visible.
