Not All That Glitters (The Gold of Qumran Book 3) Richard Todd

In a setting that ranges from Indianapolis to Athens, and from Crete to Jerusalem, students, volunteers, and archaeologists move in and out of each other's lives in a story that involves love, terrorist intrigue, and the excitement of archaeological discovery. The book will prove especially attractive to those who love History and Archaeology, and who appreciate a story told with accurate professional and geographic details. The book is the third in "The Gold of Qumran" series, but one need not have read the first two volumes to appreciate Volume Three.
