Rubrics: A Handbook for Construction and Use

What is a rubric? How can I implement them as evaluation tools? How can I make better use of my existing rubrics? This bestseller answers these questions, providing all the necessary information to apply rubrics from the classroom to the administrative office. Each chapter stands alone as a practical reference guide. The authors cover curriculum evaluation, student input into rubrics, cross-curricular approaches, rubric categories, specialty rubrics, and teacher evaluation. Easily adaptable samples, as well as plenty of descriptive scenarios, will give educators the information and confidence they need to create, utilize, and evaluate rubrics.
