Some Are Sicker Than Others

Andrew Seaward, Andrew A. Seaward

Some Are Sicker Than Others Andrew Seaward, Andrew A. Seaward

"Seaward not only weaves an exceptionally well-constructed story with wholly credible characters, he offers deeper insights and relates more factual information about the disease of addiction than any other writer to date." -*Grady Harp, Top 10 Amazon Reviewer*

"Monty Miller's journey reminds us of the difficult road of acceptance, forgiveness and redemption that we all must take at some point in our lives." -*Cyrus Webb, Top 500 Amazon Reviewer*

"This is a very dark, harsh, unmerciful look at addiction with unrelenting exposure of its consequences." -*Dr. Patricia Laster, Psychologist and Author of "Breaking Free"*

THE LIVES OF THREE UTTERLY HOPELESS ADDICTS CONVERGE FOLLOWING AN ACCIDENTAL AND HORRIFIC DEATH.

Monty Miller, a self-destructive, codependent alcoholic, is wracked by an obsession to drink himself to death as punishment for a fatal car accident he didn't cause.

Dave Bell, a former all-American track star turned washed-up high school volleyball coach, routinely chauffeurs his bus full of teens on a belly full of liquor and head full of crack.

Angie Mallard, a recently divorced housewife with three estranged children, is willing to go to any lengths to restore the family she lost to crystal meth.

All three are court-mandated to a drug & alcohol rehab high in the foothills of the Rocky Mountains. There, they learn the universal truth among alcoholics and addicts:

Though they may all be sick...*SOME ARE SICKER THAN OTHERS.*

Based on the author's own personal experience with substance abuse and twelve-step programs, *Some Are Sicker Than Others*, transcends the clichés of the typical recovery story by exploring the insidiousness of addiction and the thin, blurred line between true love and codependence.

With the harsh realism of Brett Easton Ellis and the dark, confrontational humor of Chuck Palahniuk, Mr. Seaward takes the reader deep inside the psyche of the addict and portrays, in very explicit details, the psychological and physiological effects of withdrawal and the various stages of recovery.

As *Top 10 Amazon Reviewer*, Grady Harp, put it: "What sets Andrew's novel apart from other recovery stories is his deep understanding of the physiochemical aspects of substance abuse and addiction. Seaward not only understands the socioeconomic, psychological and, yes, criminal impact these people create, he also displays such a profound understanding of the physiological/medical aspects of addiction that we are left to wonder if he hasn't been down the path of his characters himself."

From reader reviews:

Robert Stewart:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people really feel enjoy to spend their a chance to read a book. They may be reading whatever they take because their hobby is reading a book. What about the person who don't like studying a book? Sometime, person feel need book when they found difficult problem or exercise. Well, probably you should have this Some Are Sicker Than Others.

Kent Dennis:

Here thing why this Some Are Sicker Than Others are different and trusted to be yours. First of all examining a book is good but it really depends in the content of computer which is the content is as tasty as food or not. Some Are Sicker Than Others giving you information deeper as different ways, you can find any guide out there but there is no book that similar with Some Are Sicker Than Others. It gives you thrill looking at journey, its open up your own eyes about the thing this happened in the world which is maybe can be happened around you. You can actually bring everywhere like in playground, café, or even in your technique home by train. For anyone who is having difficulties in bringing the branded book maybe the form of Some Are Sicker Than Others in e-book can be your substitute.

Phyllis Force:

Spent a free a chance to be fun activity to do! A lot of people spent their down time with their family, or all their friends. Usually they performing activity like watching television, about to beach, or picnic inside park. They actually doing same every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Could be reading a book might be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled Some Are Sicker Than Others can be great book to read. May be it may be best activity to you.

Jesus Geist:

This Some Are Sicker Than Others is great guide for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great manage word or we can point out no rambling sentences included. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Some Are Sicker Than Others in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world inside ten or fifteen moment right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt in which?
