Sunshine and her father were on their way to Texas, after he had found her 15 years before. It was the last of his daughters to be found, since his evil brother, Roy had sold them when they were born. Ron was in the Army at the time, and had no idea what was going on at home. He and Sunshine were almost to their new home and while cresting a hill, there were six Indians blocking their path. The chief, she guessed him to be, was the most handsome man she had ever seen! She fell in love right there on the spot! RedMan had been betrothed to Sunshine long before they ever met. Even before her father had found her. He and Sunshine's father had made a pact before his father died that they would someday be married to seal the prophecy that was theirs long ago. Ron's brother, Roy, thought Ron would never find any of the girls, he didn't even know that Ron knew of their existence. Roy would find out one day the wrath he would meet when RedMan and his tribe finally had their vengeance on him for the evil he had tried to do with Ron's babies and to Ron's wife. Sunshine would soon discover that she was destined to be with this Indian that was to become her heart and soul!
