Blackbird: A Childhood Lost and Found (Angel) Jennifer Lauck

With the startling emotional immediacy of a fractured family photo album, Jennifer Lauck's incandescent memoir is the story of an ordinary girl growing up at the turn of the 1970s and the truly extraordinary circumstances of a childhood lost. Wrenching and unforgettable, **Blackbird** will carry your heart away.

The house on Mary Street was home to Jennifer; her older brother B.J.; their hardworking father, who smelled like aftershave and read her Snow White; and their mother, who called her little daughter Sunshine and embraced Jackie Kennedy's sense of style. Through a child's eyes, the skies of Carson City were forever blue, and life was perfect -- a world of Barbies, Bewitched, and the Beatles. Even her mother's pain from her mysterious illness could be patted away with hairspray, powder, and a kiss on the cheek...But soon, everything Jennifer has come to love and rely on begins to crumble, sending her on a roller coaster of loss and loneliness. In a world unhinged by tragedy, where beautiful mothers die and families are warped by more than they can bear, a young girl must transcend a landscape of pain and mistreatment to discover her richest resource: her own unshakable will to survive.
