Graveyard of the Atlantic (Mitchell Parker crime series) (Volume 2) Helen Goltz

Below the surface of the ocean, off the shores of Cape Hatteras, lie the bodies of many ships that never made it to shore and something more ... silent and sinister. Two sets of fresh fingerprints on a pair of binoculars left on the beach are cause for concern for FBI special agent Mitchell Parker and his team, Nick Everett, Ellen Beetson and Samantha Moore. The prints belong to a criminal that is currently not listed as in the country and a foreign diplomat who disappeared a year ago. And are the six Beijing police officers that are guests of the USA to study, the same six officers that left Beijing? It's a rough and violent ride for Mitchell Parker and his team against the ocean and the clock.
