Understanding Pedagogy: And Its Impact on Learning

Understanding Pedagogy: And Its Impact on Learning

`I commend it to anyone with a concern for teaching in any of its forms' -*School Leadership & Management*

In this controversial book, Peter Mortimore and a team from London University's Institute of Education explore what is meant by the term pedagogy. They investigate its context and describe some of the recent shifts in thinking about it.

Pedagogy affects the way hundreds of thousands of learners of different ages and stages are taught. Yet, until recently, it has been a neglected topic. Instead of having access to systematic evidence about its impact, innovative teachers have been guided only by ideological positions, folk wisdom and fashionable enthusiasms for particular approaches.
