Vanishing Seattle (Images of America)

Clark Humphrey

Vanishing Seattle (Images of America) Clark Humphrey

Though Seattle is still a young city, growing and changing, much of its short past is already lost-but not forgotten. Generations of Seattleites have fond memories of restaurants, local television shows, stores, and other landmarks that evoke a less sophisticated, more informal city. This new book explores Seattle at a time when timber and fish were more lucrative than airplanes and computers, when the city was a place of kitschy architecture and homespun humor and was full of boundless hope for a brighter future. These rare and vintage images harken back to the marvels of the 1962 World's Fair, shopping trips to Frederick & Nelson and I. Magnin, dinners at Rosellini's, dancing at the Trianon Ballroom, traveling on the ferry Kalakala, rooting for baseball's Rainiers, and local personalities including Stan Boreson, J. P. Patches, and Wunda Wunda.
