Young Lonigan (Penguin Classics)

James T. Farrell

Young Lonigan (Penguin Classics) James T. Farrell

The first volume of James T. Farrell's remarkable Studs Lonigan trilogy

An American classic in the vein of John Steinbeck's **The Grapes of Wrath**, the first book of James T. Farrell's powerful **Studs Lonigan** trilogy covers five months of the young hero's life in 1916, when he is sixteen years old. In this relentlessly naturalistic yet richly complex portrait, Studs is carried along by his swaggering and shortsighted companions, his narrow family, and his educational and religious background toward a fate that he resists yet cannot escape.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
