**Blood Money** W.R. Benton

*From the Author of 'Jake Masters, Bounty Hunter'*

The old west of the 1800's was a wild and untamed frontier, where robbery and theft was an everyday worry. Men had to be their own protectors and their own law onto themselves, particularly where civilization ended.

Ty Fischer, a down-on-his-luck mountain man, is shanghai-ed by the U.S. Army into trying to recover a stolen payroll shipment—in newly minted gold coins. He is probably up to the job, but for good measure the Army also sends along a grizzled cavalry Sergeant Major to help in the hunt. The robbers are a nasty bunch of cut-throats who may end up killing anyone that gets in their way...or even each other for a bigger share of the loot. Western action abounds in this very latest release from W. R. Benton.
