*Your single-best way to nurture higher-order thinking*

With all the pressure to accelerate instruction, how can we possibly find the time to encourage students to do some serious thinking? With *Facilitating Authentic Learning*, Laura Thomas provides the answer: through constructivist, experiential teaching methods. Grade 6–12 teachers will learn how to:

- Plan learning experiences that teach content and process at the same time
- Assess students' development of 21st-century skills
- Coach students to do the hard work of authentic learning while providing support
- Teach reflection techniques that help students learn from experiences and mistakes
