This book is a thrilling Indian story written by a famous old-time frontiersman James Willard Schultz, (1859 to 1947). Schultz was a noted author, explorer, Glacier National Park guide, fur trader and historian of the Blackfoot Indians. While operating a fur trading post at Carroll, Montana and living amongst the Pikuni tribe during the period 1880-82, he was given the name "Apikuni" by the Pikuni chief, Running Crane. Schultz is most noted for his prolific stories about Blackfoot life and his contributions to the naming of prominent features in Glacier National Park.

Story of a maiden warrior of the Blackfoot tribe. The story of an Indian girl who became the acknowledged leader of her tribe. As a little girl Otaki asked for bows and arrows rather than for dolls. Her father, who loved her dearly, indulged her in her wishes. and taught her to hunt like a boy. When both father and mother were taken by death, she again turned back to the hunting, providing the game for her brothers and sisters and following the war path to avenge her father's death. Disapproval of her course finally gives way and she is highly honored by her tribe, and like the young men who prove themselves worthy, she is given a warrior's name. Running Eagle.
