Taken By The Dragon Captain: Chivalry Jessica Ryan

From New York Times and USA Today Bestselling author Jessica Ryan comes a new serial in a lost world of magic and danger....

Astrid has pulled herself up from the bottom of life's ladder all the way to the top: she is the only female Dragon Knight in service of King Artemis. Love isn't part of the equation, unless you're talking about love for her king.

But, all of that will be turned upside down when, on a mission of conquest, she meets Dampier: the famous Dragon Captain of the Drowned Island fleet.

There's just something about his calm demeanor and entrancing eyes that make her want to forget every vow she ever swore.

Taken By The Dragon Captain: Chivalry is the first novella in this series. It is not a stand alone book and is not intended to be read out of order.

For readers 18+.
