At the Mountains of Madness: And Other Tales of Terror

H. P. Lovecraft

At the Mountains of Madness: And Other Tales of Terror H. P. Lovecraft

A complete short novel, AT THE MOUNTAINS OF MADNESS is a tale of terror unlike any other. The Barren, windswept interior of the Antarctic plateau was lifeless--or so the expedition from Miskatonic University thought. Then they found the strange fossils of unheard-of creatures...and the carved stones tens of millions of years old...and, finally, the mind-blasting terror of the City of the Old Ones. Three additional strange tales, written as only H.P. Lovecraft can write, are also included in this macabre collection of the strange and the weird.
